

GRAC Meeting

May 11, 2026

1:00 p.m.

Jamie Chase, Ruth Doidge, Natalie Johnston and Jodi Breault

### **Spencer Park**

- How are we managing the surveillance cameras?
- Thanks to Pro Lawn for cleaning up a huge mess from the ice storm. There were trees down, broken fences, and a broken swing set. They fixed the fences and cleared tree debris.
- We would like to replace the swing set. They range from \$2,000-\$2,500. Pro Lawn said they would install. How do we go about ordering or approval?
- Pro Lawn will grade the woodchips on the trail. The flood displaced them and are making it hard to walk on. Fritz Cheney contacted me with this concern.
- Port a potties are good to go for the season.
- The wooden outhouses have been destroyed and removed.

### **Cedar Lake Park**

- Port a potties are all set and ready for the season.
- Pro Lawn will have the park cleaned up from limbs, leaves and trash by Memorial Day Weekend. They will also put the buoys in the water.
- We are still interested in tearing down the changing room. We got quotes last year and nothing became of it. Pro Lawn said they would remove the changing room. How do we want to proceed with this job?
- We would like sand for the beach. Pro Lawn will do it if approved.
- The park will remain unlocked unless otherwise notified.
- Do we want the minutes sent electronically? If so, to whom?
- Are there timesheets we need to fill out to get paid?

Meeting adjourned at 1:50 p.m.

The next meeting is planned for June 2nd at 6:00 p.m. at the Township Hall.
