GRAC Meeting

Jodi Breault, Natalie Johnston, Ruth Doidge

There is a petition that wants to rename Cedar Lake Park to the Harry W. Taylor Memorial Park. Harry opened and closed the park and watched over it for over 30 years. The neighbors feel this would be a great way to honor him. He passed away August 5, 2026. We would like the Board to approve this idea. A donation jar will be set up at Cedar Lake Grocery to fund this project. Last count, there were 108 signatures on the petition.

The well at Spencer Park is fixed. Thank you, Clerk Curth, for staying with Sam's Well Company to fix it. Many people rely on that water source.

The carpet on the ramp into the Township Hall needs to be replaced. It's torn. Also, the metal transition strip needs to be replaced. It is missing a piece and is very sharp.

The bushes need to be trimmed at the Township Hall, and the handicap signs should be replaced. They are very faded.

We noticed the Fire Department sign is missing pieces off the lettering. The letters are crooked and there is mold on the siding that would look nice if it was power washed.
